About the College

Welcome

We sincerely welcome you to our college and wish you every success in your studies with us. Please feel free to speak with any member of our team if you have any questions regarding the information provided to you or if you have any concerns during your course.

History

Riverina Community College is a not-for-profit organisation operating as an independent company limited by guarantee. The College provides high quality, adult education courses and activities to meet the expressed needs of the community, delivered at its modern training facilities in Wagga Wagga or at one of their outreach Centres, or in partnership utilising schools, community or commercial facilities.

Riverina Community College is a nationally VET regulated Registered Training Organisation (RTO) registered by the Australian Skills Quality Authority (ASQA). The College offers nationally recognised training and assessment in accordance with the Standards for NVR Registered Training Organisations 2011 and issues qualifications within the Australian Qualifications Framework (AQF).

The College offers accessible skills-based learning opportunities in a non-threatening and professional learning environment. The College strives for ease of enrolment and for programs to attract a broad representation from our communities. Courses and activities are held during the day, evening and on weekends. Distance study is also available for some qualifications.

Adult and Community Education (ACE) is supported by the NSW Department of Industry through grants to ACE Providers across NSW.

The College is supported through an annual Adult and Community Education (ACE) grant provided by NSW Department of Primary Industry (DPI). The College accesses other grants from DPI for Special Purposes and also tenders for State and Federal Government contracts to meet clients' special needs

Abbreviations used in this handbook

Qualifications provided by RCC

As a registered training organisation (RTO), RCC operates under the Australian Skills Authority (ASQA). This means that we provide quality assured and nationally recognised qualifications. Our courses have been independently evaluated by training and industry experts to guarantee that they meet the highest standards of course excellence. To check accredited qualifications and units of competency that are on the colleges scope of registration, please refer to the national register for RTOs: <http://training.gov.au/Organisation/Details/90133>

Fees, Subsidies and Refunds

RCC will make prospective students aware of the College's fees, charges and refund policies prior to accepting an enrolment. The full Fees, Refund and Transfer policy is available on the RCC website or can be obtained by request from the Reception desk.

All texts, resources and course materials are included in the cost of the course unless otherwise stated in the College's advertising material. The College determines course fees for its fee for service training. If your training program is subsidised by the Government, the associated student contribution fees are set by that Government body.

Protection of Fees paid in Advance

In order to provide protection to students' fees Riverina Community College does not accept fees paid in advance of more than \$1500.00 from individual students. These fees include all fees paid by a student. This policy is in line with the requirements under the National Standards for RTOs.

Fee Payment Options

There are a range of methods that you can choose to pay your training fee(s), including cash, cheque and direct deposit to our bank account. The details are provided on the invoice that you receive.

Payment plans are available for most courses based on individual needs. Enquire with administration staff for payment plan information. Payment plans must be approved by the Operation's Manager.

Subsidised Training

Training Services NSW through the NSW Department of Primary Industry, currently provides subsidised training under its Smart & Skilled initiative. The Training Coordinator or Student Engagement Officer will be able to assist you in determining your eligibility for enrolment and to advise on the appropriate course fee that applies. Student fees for training that is subsidised through Smart & Skilled is calculated using the Smart & Skilled Provider Fee Calculator.

Concessions and exemptions do apply to disadvantaged groups. Additional evidence will be required to support your eligibility for concession and/or exemption. Further information regarding your fees, concessions and exemptions is available through the Reception desk, Course Coordinator, Student Engagement Officer or the College website.

Refunds

There may be instances where training programs are cancelled due to lack of learners, and sometimes government funding. The College also recognises the student circumstances may change meaning they are unable to continue with their current training program. Students should discuss their circumstances with their trainer, Course Coordinator or the Student Engagement Officer who will assist them in determining the best way forward.

Where possible and appropriate, the College will place a student in an alternate course of equal value, however refunds do apply in some instances and the following is a guideline to the RCC Refund Policy:

A full refund will apply if:

- a training program has been cancelled by the College
- a student cancels more than 7 days prior to commencement

A partial refund will apply if:

- a student claims extenuating circumstances (such as accident or illness)
- the College has granted CT or RPL after enrolment and the fee recalculation is lower than the fee the student has already paid
- a student cancels less than 7 days prior to commencement

If the course has commenced the RTO will not usually refund course fees however these situations are assessed on an individual basis and the RTO will normally attempt to provide you with alternate arrangements which may include a different mode of delivery or in some cases a different training program.

The College's full Fees, Refund and Transfer Policy is available through Reception.

If you are unhappy with the outcome of any decision you may appeal using the College's Complaints and Grievances process.

Enrolment at RCC

Pre-enrolment information

To enable you to make an informed decision regarding your studies you will be provided with the following information prior to enrolment:

- Consumer protection policy
- Fee, Refund and Transfer policy
- RPL and CT information
- Support available to assist you during your studies
- Specific information regarding your course including:
 - All fees and payment options
 - Subsidies available
 - Course content including electives
 - Training and assessment methods including proposed schedule if applicable
 - Pre-requisites and entry requirements
 - Course delivery location
 - Work placement requirements

RCC strives to ensure there are no unnecessary barriers for entry into training and/or assessment services, and will always work with you to ensure that our services meet your needs. You will be required to undertake a LLN assessment to determine the level of support you require which can include referral to support services and additional support through mentoring programs. The organisation does need to follow nationally set entry requirements as per the relevant Training Packages, and there may be times that we recommend pre-entry training and/or support. There may also be pre-requisite units for study (units that must be completed prior to enrolment). Talk with a team member if unsure.

The College will normally hold information sessions to provide interested students with detailed information about the course which also includes study and career pathways.

Enrolment

When a Training Program has been agreed upon, you will be asked to complete an enrolment form. This will form the basis of the administrative information that we collect, and also provide us with essential information that may be used for reporting purposes. Additional information can be viewed in Privacy section of this handbook.

The Enrolment Form is also the source of information that we use for the production of Certificate(s) or Statement(s) of Attainment, so these do need to be completed as per your official documentation eg; birth certificate and/or driver's license. You will also be required to present Proof of Identification on enrolment (eg; birth certificate/driver's license/passport) together with your Unique Student Identifier (USI) -see further information in USI section of this handbook.

There may be other administrative requirements, dependent on the particular program. For example, funded training programs may require us to collect additional documentation eg; Consent to share information. You should not sign a document, without fully understanding its contents, and any obligations etc. If you are unsure, please talk with a team member.

Unique Student Identifier (USI)

A Unique Student Identifier (USI) is an Australian wide student number required by students who are completing nationally accredited vocational education and training (VET). A USI will allow an individual to track all of their training results from all providers from all states and territories in Australia. Students undertaking nationally accredited courses need to apply for a USI and provide that USI to the College at enrolment.

An RTO cannot issue a student's qualifications without a receipt of the students USI.

The USI is available online and at no cost to the student at <http://usi.gov.au>

This USI will stay with the student for life and be recorded against any completed nationally recognised VET course.

<https://www.youtube.com/watch?v=HRYaaF-B7Ho>

Induction

An induction session will be held for each training program which will provide specific and detailed information on the College and the course you have chosen. You will be expected to attend this session.

Withdrawing from the Qualification:

Whilst we do not like to see students withdrawing from their qualification, it is sometimes unavoidable.

If you need to withdraw from your qualification, you must let the College know within 5 days (for Smart and Skilled subsidised courses) and 14 days (for all other courses) of your enrolment date. If you are studying under a government traineeship it is your responsibility (or that of your employer) to let your Australian Apprenticeship Centre know as soon as possible.

Learning and Assessment

Direct Credit (DC)

DC or credit transfer is when a student applies for a credit for a unit they have previously completed elsewhere. DCs are only issued if the unit is an exact match. When applying for a DC, the applicant must attach a certified copy of the previous qualification, including a transcript of the course which sites the exact unit they are applying for.

The College recognises qualifications and Statements of Attainment issued by other RTOs within Australia or another AQF authorised issuing organisation and authenticated VET transcripts issued by the Registrar.

Recognition of Prior Learning (RPL)

The Recognition process allows you to apply for credit for previous study, work, life and educational experience that matches the learning outcomes of specific units within a course.

Riverina Community College recognises that current and future applicants to nationally recognised training courses and competencies may already have skills and knowledge that satisfy some or all of the competencies in that course.

To apply for RPL please speak with your trainer or course co-ordinator at the time of enrolment or as soon as possible after enrolment.

RPL applicants will have to provide evidence to support their claim. The College will assist you in identifying appropriate evidence.

The Benefits of RPL

- Confirming competence for a workplace position
- Confirming eligibility for entry to a qualification
- Ensuring that learners do not have to relearn skills & knowledge they already hold
- Ensuring that training time is spent acquiring new skills and competencies.

How Does the RPL Process Work?

The RPL process involves the candidate & the trainer working together to gather evidence to enable the assessor to make a decision on your competency. Your trainer will assist you to identify relevant units of competency & explain the types of evidence (proof of your skills & knowledge) required. When you have provided this evidence it is compared with the competency standards and your assessor will decide whether sufficient evidence has been provided to determine the extent to which you have achieved the required learning outcomes or standards. Your assessor may also determine that an assessment conversation or partial assessment may be required.

Assessment

Assessment is the means by which we determine whether or not a competency has been achieved. It is the process of collecting evidence and making judgements about the extent to which a person demonstrates the knowledge and skills as set out in the standards or learning outcomes of a unit of competency.

To achieve a Statement of Attainment or qualification under the Australian Qualifications Framework (AQF) it is necessary to be assessed as competent against a unit or units of competency from an industry Training Package.

During your first lesson your trainer will advise you of the assessments required for your course. Assessments must be submitted to your trainer by the due date and must be accompanied by the Assessment Cover Sheet provided.

Whilst every care is taken, it is strongly advised that you keep a copy of ALL assessments submitted to the College to avoid loss of completed work.

We encourage you to communicate openly with your trainer and/or assessor with any questions or concerns that you may have regarding your assessment. We are committed to providing a flexible approach to assessment services, so please feel comfortable discussing your needs with your assessor and/or the RTO Manager.

There are ranges of circumstance that can be negotiated including:

- Timing of your assessment
- Location of your assessment
- How you will be assessed (observed, asked questions verbally and/or written). An example is where your location may make it difficult for an assessor to come and observe you so we may organise for your assessment to be captured on video/camera and forwarded to the assessor.

Assessment Appeals Process

If you disagree with an assessment decision you should address the matter with your assessor and/or trainer.

Where an assessment decision cannot be resolved informally (through discussion) the appellant is required to complete an Assessment Appeal form which is to be forwarded to the Operation's Manager. All effort is to be made to see appeals responded to within 14 days. The Operation's Manager implements a range of options to resolve the appeal:

- Review the evidence supplied for assessment and communicates requirements for additional evidence with the appellant.
- Refer the evidence supplied for assessment to another assessor for re-assessment.
- The appellant will be notified in writing of the appeal outcome within 14 days. Where an appellant is not satisfied with the results of the appeal, the College's Complaints and Appeals procedure should be followed.

Re-assessment

If you are deemed Not Yet Competent (NYC) in an assessment, you will have the opportunity to re-submit your work. Your trainer will provide feedback on your assessment and work with you to ensure you undertake further learning or skills activity to become Competent.

If after appropriate assistance, you are still not able to achieve competence, it may be necessary to consider other options. These options will be discussed in liaison with your trainer and course coordinator and may include:

- Re-enrol in the course or Unit of Competence at the normal enrolment fee
- Undertake career planning with Student Engagement Officer
- Withdraw from or Transfer to another course

Work Placement

Some qualifications and training programs require the student to gain real life, on the job experience in order to gain the knowledge and skills to become competent.

You will be advised prior to enrolment if your course includes work placement and the course duration will include time for this.

Whilst it is a good opportunity for you to gain valuable job seeking experience in obtaining your work placement, you will be assisted in this by your trainer, student support officer or the Student Engagement Officer. RCC has many valuable long standing relationships with a variety of businesses and organisations in the Riverina and is often able to assist with placement with one of those employers.

During your work placement you will be required to carry out certain activities in line with the policies and procedures of the host employer. You will also be required to complete relevant documentation including workplace logs and reflective journals. These documents form part of your assessment.

It may also be necessary for your trainer or an assessor to visit your workplace to carry out a practical assessment. This will be done in liaison with the host employer and you will be consulted in the process.

Certificates and Statements of Attainment

On successful completion of your course and all associated assessment work, your Certificate or Statement of Attainment will be posted to you. Please ensure we have your current postal address.

You are able to obtain replacement certificates or Statements of Attainment at any time at a cost of \$55.00. Requests should be made in writing or by email and should include the following information:

- Your name (if your name has changed please write both your new name and your name at the time of the course)
- Your date of birth
- Your current address (and your address at the time of the course)
- The course you completed (e.g. CHC40312 Certificate IV in Disability)
- When that course started and finished or at least the year of the course
- Photo identification may be required.

We will review your request and either:

- (a) Send a new Certificate, Statement of Attainment or Statement of Participation; or
- (b) Send a letter explaining why we cannot re-issue your qualification at this time and what you need to do from here.

Student Support and Welfare

We aim at all times to provide a positive and rewarding learning experience for all students. If you have any concerns that may affect your training please discuss this with your trainer or course coordinator. Should your trainer identify that you would benefit from additional assistance they will discuss the options with you.

RCC uses Student Support Officers to work with identified students to ensure they achieve their outcomes and enjoy their learning experience.

The College facilities at Wagga Wagga include complimentary tea and coffee, a student recreation room and access to computer equipment at various times.

All students are able to utilise the scheduled 'drop-in' sessions provided and can contact their trainer or student support officer at any time during College hours.

The College is at all times concerned for the welfare of students. If you require any extra assistance please make contact with a member of our team who will be happy to support you. If you require counselling or personal support please contact one of the following organisations:

Lifeline: telephone 13 11 14 or access their website www.lifeline.org.au

Beyond Blue: telephone 1300 224 636 or access their website www.beyondblue.org.au

Workplace Health and Safety (WHS)

RCC takes its responsibility seriously to protect health and promote safety. Please report anything that you believe to be unsafe.

As a course participant you are required to:

- Wear clothing and shoes appropriate to the course and, in some cases, follow the legal requirements regarding protective clothing. You will be notified of any special clothing requirements at enrolment.
- Ensure any safety directions are followed and act so as not to endanger the safety of others.
- Listen carefully to the tutor when they are informing you of WHS matters and abide by all WHS rules
- Ensure the tutor is aware of issues relating to WHS regulations or any practices you believe to be unsafe.
- Not attend class if under the effects of drugs or alcohol.
- Smoke only in designated areas.
- Report anything you think is unsafe or a danger to yourself and others.

Equal Employment Opportunity (EEO) and Anti-Discrimination:

RCC is committed to providing an environment for work and training that is free from discrimination, bullying and/or harassment of any kind. Behaviour of this nature will not be tolerated in any form and will result in the immediate disciplinary action that may include expulsion from a course. This applies to both participants and RCC RTO staff members.

Discrimination, Bullying and Harassment Policy is in accordance with the following:

Sex Discrimination Act 1984

(http://www.austlii.edu.au/au/legis/cth/consol_act/sda1984209/)

Human Rights and Equal Opportunity Act 1986

(http://www.austlii.edu.au/au/legis/cth/consol_act/hraeoca1986512/)

(http://www.austlii.edu.au/au/legis/nsw/consol_act/aa1977204/)

If you witness or experience any incident of discrimination, bullying or harassment you are expected to report it to your trainer, Student Engagement Officer or the Operation's Manager immediately. Any report will be treated with absolute seriousness and privacy

Privacy of your records

The College keeps your information private and only collects data that relates to your training outcomes or as required for statistical analysis by government authorities such as Department of Primary Industry (DPI).

RCC is subject to audit by Commonwealth and State agencies. Access to your training file may be given to government officers from agencies such as DEC, DPI or ASQA for the purposes of these audits.

In addition, where training is being provided to a trainee through their employer, the employer is entitled to receive updates on the trainee's progress throughout the traineeship.

You are entitled to access information on your personal file at any time and can do so by making a written request to the Operations Manager. You must be able to provide adequate proof of your identity.

Access and Equity:

The Organisation is committed to a flexible approach to its training and assessment services with a range of strategies in place to ensure that individuals are not unfairly disadvantaged when undertaking training and/or assessment services. The organisation will always consider the LLN levels of the learner, the ethnic and cultural background and the needs of people with disabilities. Additional consideration can include personal circumstances eg; child care and work commitments, personal difficulties and illness. If you are experiencing difficulties, you should discuss this with your Trainer and/or the Student Engagement Officer.

A range of support mechanisms may be put in place including:

- Mentoring
- Language Literacy and Numeracy (LLN) support
- Disability Support
- IT Support
- Telephone, emails, networking and tutorial support for learners
- Adjustment of assessment process

Discrimination, Bullying and Harassment

The College is committed to providing an environment for work and training this is free from discrimination, bullying and/or harassment of any kind. Behaviour of this nature will not be tolerated in any form and will result in the immediate disciplinary action that may include expulsion from the program. This applies to both participants and College staff members.

If you witness or experience any incident of discrimination, bullying or harassment you are expected to report it to your trainer, course coordinator or the Operation's Manager immediately. Any report will be treated with absolute seriousness and privacy. For more information on discrimination, bullying and harassment please refer to the Refer to the following Federal Acts:

- *Sex Discrimination Act 1984.*

And/or

- *NSW Anti-Discrimination Act 1977*

Complaints and Grievances

The organisation adopts an open policy in regards to feedback from the learner(s). Whilst positive feedback is always rewarding, it is to be expected that there may be incidents that need to be brought to the attention of the College.

Where there is a dispute with a trainer, assessor or fellow learner which you cannot resolve, you should notify the Operation's Manager who will adopt the necessary procedures for resolution. All complaints and grievances will be addressed promptly, and you will be advised of progress. All complaints and/or grievances are treated with the strictest confidence.

If students feel matters are unresolved to their satisfaction and wish to inform a third party, they should contact one of the following:

- ASQA by referring to www.asqa.gov.au
- Department of Fair Trading in their capital city

If your course is part of the Smart and Skilled funded programs you should contact their Consumer Protection Unit for Students. You can do so at:

<https://smartandskilled.nsw.gov.au/for---students/consumer---protection---for---students>

Further information on the College's Complaints and Appeals policy is available at the Reception desk or on the College website.

Changes of Details

If there is any change to your circumstance during your training with the College you must notify us so that your records can be updated: Change of Name, Change of Address, Change of contact details (phone, email, Etc.)

If you do not notify Riverina Community College of any change in details and you need to obtain your Certificate RCC will charge a fee for reissuing you with another Certificate.
